

THE ROWDY FOUNDATION

Do you know a special needs caregiver who could benefit from a monetary scholarship to fill their OWN cup? We are on the search for recipients of the We See You fund!

"Insufficient management of one's stress as one cares for others can lead to emotional burnout and feelings of helplessness, hopelessness, and paralysis. For anyone whose life revolves around caregiving, inherent risks can jeopardize both their well-being and that of the people they care for" (www.psychologytoday).

Experts can advise different activities and therapies all day to help an exceptional needs caregiver; however, until you are living it day-to-day, you don't know exactly what it takes day in and day out. Every special needs journey is just that, its own unique journey.

Here at The Rowdy Foundation, "We See You," and we want to help. This scholarship is open to special needs caregivers. We want to provide you with the monetary opportunity for self-care, lift a burden, whether that be an overdue bill or gas money. We want to give you the opportunity to do whatever it takes to fill your cup. This life chose you, and although we know you would never trade it for the world, we are here for you, and we see how hard you work day in and day out to keep your world moving in the right direction. **We admire you!**
